Join us for a timely conversation between generations when Frances Moore Lappé, author of 19 books including *Diet for a Small Planet* and activist and organizer Adam Eichen, discuss their book, *Daring Democracy*, which includes finding solutions to our current crisis.

This is an optimistic book for Americans who are asking... What do we do now? The Answer: We need to organize and fight to protect and expand our democracy.

“This book, perhaps better than any other, shows Americans that the democracy they want is possible.”  
—Lawrence Lessig, author of Republic, Lost
